LIFE GROUP MEMBER BEST PRACTICES

- **Be Authentic**

True community is found when we allow ourselves to be authentic

- **Be Committed**

Commit to attending your group gatherings and participate in the activities. What you put in is what you get out.

- **Be Willing To Grow & Learn**

When we live in community with other believers, change happens, and that can be a good thing! Allow yourself to be open to that change, to learn and to grow in your walk with Jesus.

- **Serve Together**

Follow the example of Jesus by serving others. Serving is a great way to give back to the church or community while also fellowshiping with other believers.
